GENERAL CONTRACTORS & SUPPLIER

COMPANY PROFILE

About Company

PT Jayapaya Eka Persada is a general contractor and supplier company that bring innovation and professionalism in planning, procurement and project delivery.

We are originally established in 2010 under the name of CV Sukses Mandiri Interindo. As a result of the fast growing development of Indonesian economy for the past decade and the expected growth in the coming years, we have consolidated our partners together to form PT Jayapada Eka Persada in 2018.

Under this entity, PT Jayapada Eka Persada is even more committed to meet and deliver projects with more demanding budget, quality and deadline. Even with the ever changing and ever increasingly more complex projects, PT Jayapada Eka Persada is always ready to continue to provide excellent solutions and services to our esteemed clients expectations.

Company Value

Our Vision

To become a leading construction service provider who always provides the best services to clients.

Our Mission

Commitment to our clients

We are firm believer that trust is the most important factor in any relationships. With this trust, we are committed to build long term relationships with our clients and partners. This commitment comes with a never give up attitude and a responsibility to give clients our best in their quest for services and solutions that offer maximum quality.
